Dear Sirs & Mesdames,

Re: CSA Notice and Request for Comment – Proposed Amendments to Form 58-101F1 Corporate Governance Disclosure of National Instrument 58-101 Disclosure of Corporate Governance Practices and Proposed Changes to National Policy 58-201 Corporate Governance Guidelines

CCGG's members are Canadian institutional investors that together manage approximately \$5.5 trillion in assets on behalf of pension funds, mutual fund unit holders, and other institutional and individual investors. CCGG promotes good governance practices, including the governance of

environmental and social matters, at Canadian public companies and assists institutional investors in meeting their stewardship responsibilities. CCGG also works toward the improvement of the regulatory environment to best align the interests of boards and management with those of their investors and to increase the efficiency and effectiveness of the Canadian capital markets. A list of our Members is attached to this submission.

REQUEST FOR EXTENSION

We are writing to request a 90 day extension to the July 12, 2023 submission deadline for the above noted consultation.

The subject matter of this consultation is complex and requires a thoughtful and nuanced response.

The *structure* of this consultation, however, with the two alternative Forms, is proving challenging to work through in the context of providing a meaningful response, which adequately takes into account the different perspectives of our Members. What has been proposed is effectively two sets of potential regulation for stakeholders to respond to independently, and in comparison to one another.

The stipulated timeframe is also proving to be significantly challenging for us to accommodate our internal committee and board submission review process.

As such, given the importance and complexity of this matter, we believe an extended consultation period is warranted and there is much to be gained by extending the deadline until Fall 2023. If you have any questions regarding the above, please feel free to contact our Executive Director, Catherine McCall, [REDACTED] or our Director of Policy Development, Sarah Neville [REDACTED]

Yours truly,

[REDACTED]
Catherine McCall
CEO, Canadian Coalition for Good Governance
