RE: Access request – AMF Register
Our/Ref: GDC05-06-01-2420

As requested, attached is a CD that lists reporting issuers in Québec, Insurers, Deposit Institutions and Deposit Insurance and VRSP (administrators) in Excel format (as at August 3, 2016).

With respect to the Issuers in Québec, we are unfortunately not able to indicate their addresses in Excel.

The file pertaining to Deposit Institutions and Deposit Insurance is made up of two tabs: the first covers financial services cooperatives and the second covers trust companies and savings companies identified in column E of the file. Column D pertains to deposit insurance.

Yours truly,
